

Example 1

Here is an example of a personal directive that names specific health care decisions and also names an Agent and an alternate agent.

I, *Joe Sample*, willfully and voluntarily make this declaration as a directive to be followed if I become unable to participate in decisions regarding my medical care.

With respect to any life-sustaining treatment, I direct the following:

Preserve my life as long as possible.

With respect to any other health care and personal decisions I direct the following:

Jane Sample to be my agent

And in the event Jane Sample is unable to fulfill the duties of agent, I direct the following:

Steve Sleeve to be my alternate agent.

Joe Sample

Example 2

Here is an example of a personal directive that names an Agent, and does not name specific health care decisions.

I, *Jane Suzie*, willfully and voluntarily make this declaration as a directive to be followed if I am in a terminal condition and become unable to participate in decisions regarding my medical care.

With respect to any personal decision, I direct the following:

Jane Sample to be my agent.

Example 3

Here is an example of a personal directive that names specific health care decisions, and does not name an agent.

I, *Shirley Louise* willfully and voluntarily make this declaration as a directive to be followed if I become unable to participate in decisions regarding my medical care.

With respect to any life-sustaining treatment, I direct the following:

I direct that no life-sustaining treatment be provided. If life-sustaining treatment is begun, terminate it.
